Azure and M365 Role Based Certifications

Most Microsoft Role Based Certifications come with Ranger Lab Kits that are hands on access to lab environments after the training. These are 10 hour access valid within 60 days after the training. Completing the labs would also allow learners to earn badges they can associate with social media.

Blockchain Training

NDPH has brought in an Australian recognized curriculum on applied blockchain. This is a series of ladderized courses that provide a wholistic picture of blockchain requirements and implementation guidelines.

Note:

- Training courses that are not included in the training calendar are still available upon client's request.
- Certificate of Completion, Course Manual, Meals (Breakfast and Lunch) and course notes are included in the training center.
- A "Training Confirmation Notice" will be sent to the participants a week before its training date as confirmation of the schedule.
- **NTT DATA PH is an Official Learning Partner of Microsoft and Pearson VUE Testing Center**
